We provided an open source report builder, to be used from code, which is able to produce PDF or even PDF/A compliant files.. You create your report from code, then you can preview it on the screen. You can then print or export the report as PDF. Note that the report drawing uses GDI+, even if you embed .emf files or TMetaFile in them: with antialiasing, they just look smooth on screen.

Street Dance is term applied to dances that were invented by the general public in the 1970s and later in (largely African-related) urban cultures. The term itself comes from the fact that the dances were made in urbanised cities. There are no rules to "street dance" as improvisation and freestyle is emphasized.
