Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

Compiled by Adam Hartzell T he following bibliography is a work in progress designed to provide information on published materials about Korean cinema. It is far from complete, but we hope over time to continually add to what we have listed below. Presently I am having trouble generating ASCII romanization accents on my computer, so I apologize for mis-romanizing the Scandanavian/European ...

Sexual attitudes and behaviors in ancient Rome are indicated by art, literature and inscriptions, and to a lesser extent by archaeological remains such as erotic artifacts and architecture. It has sometimes been assumed that "unlimited sexual license" was characteristic of ancient Rome. Verstraete and Provençal opine that this perspective was simply a Christian interpretation: "The sexuality ...
