The NHL salary cap is the total amount of money that National Hockey League (NHL) teams are allowed to pay their players. It is a "hard" cap, meaning there are no exemptions (and thus no luxury tax penalties are required). The actual amount of the cap varies on a year-to-year basis, and is calculated as a percentage of the League's revenue from the previous season; for instance, in 2007â€™08 ...

A pay band is sometimes used to define the range (band) of compensation given for certain roles. The range is based on factors like location (high vs low cost of living locations), experience, or seniority.. Pay bands (sometimes also used as a broader term that encompasses several pay levels, ranges or grades) is a part of an organized salary compensation plan, program or system.

#MeToo and #TimesUp protests about the treatment of women in the workplace have brought renewed attention to gender pay equity. This brief looks at three legislative solutions that aim to close the gap by increasing pay transparency and pushing employers to set salaries to the position, not the history of the person doing the job.
