Prostitution is the business or practice of engaging in sexual activity in exchange for payment. Prostitution is sometimes described as sexual services, commercial sex or, colloquially, hooking. It is sometimes referred to euphemistically as "the world's oldest profession" in the English-speaking world. A person who works in this field is called a prostitute, and is a type of sex worker.

Most people are aware of how destructive a disease diabetes is to the various organs and parts of the body, such as the eyes, kidney, heart, and nerves. It is also extremely damaging to one's teeth, the extent of which may be surprising. As with other parts of the body that are affected by diabetes, uncontrolled or poorly controlled diabetes can make oral problems worse.
