Out in space a rock was heading toward the earth unseen Am E Am F G And when it hit the planet, things would never be the same C E Am " G " Am " G ... As days and months and years went by the rock began to move Shifting in its orbit with a change so slow and smooth It never hit the earth because the kids had done their best

The Space Rock - songsforteaching.com

"Set the controls for the heart of the sun," sang Roger Waters, on Pink Floyd's 1968 album A Saucerful of Secrets, helping set a course for the musical style known ever since simply as "space-rock." It's a genre marked by fierce open-ended improvisation, space-age lyrical themes, and a taste for fuzz guitar, big reverbs, trippy synthesizers, and endless echoes.

The 10 Most Galactically Cosmic Space Rock Bands In The

Space rock is a rock music genre characterized by loose and lengthy song structures centred on instrumental textures that typically produce a hypnotic, otherworldly sound. It may feature distorted and reverberation-laden guitars, minimal drumming, languid vocals, synthesizers and lyrical themes of outer space and science fiction.. The genre emerged in late 1960s psychedelia and progressive ...

Space rock - Wikipedia

Red Rock Canyon Open Space (RRCOS) is a 785-acre open space in the western foothills of Colorado Springs, Colorado. The City of Colorado Springs opened RRCOS to the public in October 2003. Because this acreage has been in private ownership since the late 1800s, there has been little documentation of fossils or geology within this property.

A Survey of Fossils and Geology of Red Rock Canyon Open Space

FICTION: "The Space Rock" SKILL: Analyzing Theme, page 3 of 3 THE BOASTING TRAVELER Upon returning home, a man who had traveled in foreign lands boasted of the many wonderful and heroic feats he had performed in the different places he had visited. Among other things, he said that when he was on the

THE LANGUAGE ARTS MAGAZINE FICTION: "The Space Rock"

The term space rock was originally coined back in the '70s to describe the cosmic flights of bands like Pink Floyd and Hawkwind. Today, however, space rock refers to a new generation of alternative/indie bands that draw from psychedelic rock, ambient music, and -- more often than not -- experimental and avant-garde influences.

Bowie - Space Oddity sheet music (intermediate) for guitar

I liked this worksheet because it gets the students looking at tree diagrams right away. They have to show the sample space for tossing 3 coins. The worksheet walks them through how to fill it out. Then they have to represent, on their own, what it would look like to add a 4 th coin. Students may struggle with representing the sample space.
