Requirements for the Bachelor's Degree. All students in The Henry Samueli School of Engineering must fulfill the following requirements. All students must meet the University Requirements. All students must meet the School Requirements:

The Henry Samueli School of Engineering < University of

9.SHOP PRACTICES. Knowing about good electronic shop practices begins with introduction to the basic tools and test instruments used in electronic repair, production and troubleshooting. It continues with "hands-on" activity directed towards learning practical skills such as soldering and de-soldering and making connecting leads and cables.
