The Cooking Gene: A Journey Through African American

When you hear people talk about the enmity of white and Black Southerners you need to understand that everyday that paradigm is being challenged by the generations here and to come. When I wanted a dream team of people for this book and The Cooking Gene project I selected artists and photographers from diverse backgrounds.

The Cooking Gene is a genealogical detective story, a culinary treasure map, a blueprint for finding your roots, a series of history lessons, a revealing memoir and a spiritual confessional sprinkled with recipes.

BUY THE BOOK: THE COOKING GENE — Afroculinaria

What's more, bringing The Cooking Gene to fruition was a feat of conviction and perseverance. Although his volume is now critically acclaimed and widely heralded as a significant new voice in the canon of American food writing, Twitty initially found that publishers were quickly dismissive of his passion project.
