

### **the gates of silence pdf**

HORATIO W. DRESSER THE POWER OF SILENCE PREFACE " THIS volume is the first of a series of studies of the inner life the main purpose of which is twofold. The point of approach is from the side of practical experience, and the first object is the development of a practical method. But, incidentally, it

silence in groups and to the silence of the group. Group gatherings should utilize the practice of silence, not just because it provides an opportunity and satisfies a need to be in silence, but also because it creates an imperceptible but indeed real communion among a group of people, as well as between two people who sit together in silence.

Our teaching makes our mind the principle and the gateless gate its very gate. Since it is the gateless gate, how can one pass through it? Are you not aware of the insight that purports, "Those who have entered the gate are no family treasures. What is gained as a result of cause and effect has beginning and end, and thus

will become nothing."
