Historical fiction is a literary genre in which the plot takes place in a setting located in the past. Although the term is commonly used as a synonym for the historical novel, it can also be applied to other types of narrative, including theatre, opera, cinema and television, as well as video games and graphic novels.. An essential element of historical fiction is that it is set in the past ...

Sophronius mentions the administration (again, to the sick) of the Lord's Supper as being "the holy chalice filled with the holy body of the Lord and the blood." In the East, the practice gradually expanded, until it was the regular practice of the Eucharist, and not just to the sick, or to children.

Results of studies of the natural range of content of mineral nutrients in food crops, such as those shown in Table 1, support the findings of Davis et al. (2004), Mayer (1997) and White and Broadley (2005) and others that due to the often very large ranges and uncertainties in the nutrient content data for any single crop, historical declines in mineral nutrient content can only be ...
