

the lawmaker pdf

A legislator (or lawmaker) is a person who writes and passes laws, especially someone who is a member of a legislature. Legislators are usually politicians and are often elected by the people of the state. Legislatures may be supra-national (for example, the European Parliament), national (for example, the United States Congress), regional (for example, the National Assembly for Wales), or ...

Promoting simplistic policy responses to complex social issues rarely produces meaningful solutions. Such has been the case during the past month as lawmakers at local, state and federal levels have targeted elimination of a single, FDA-approved hydrocodone product (Zohydro ER) as the linchpin action to effectively address our nation's growing medication abuse problem.
