The Little Book of Restorative Justice is intended for those who have heard the term and are curious about what it implies. It is also intended for those who are involved in the field but are unclear or losing track of what they are about. It is a small effort to help bring clarity about where the restorative justice train should be headed

The Little Prince in 1943, one year before his death. The Little Prince appears to be a simple children's tale, some would say that it is actually a profound and deeply moving tale, written in riddles and laced with philosophy and poetic metaphor. Once when I was six years old I saw a magnificent picture in a book, called True Stories from
