A secret society is a club or an organization whose activities, events, inner functioning, or membership are concealed from non-members. The society may or may not attempt to conceal its existence. The term usually excludes covert groups, such as intelligence agencies or guerrilla insurgencies, that hide their activities and memberships but maintain a public presence.

Great yogis have possessed the secret knowledge of human potentiality. They have passed their practices and wisdom down through the ages from teacher to student in an unbroken chain. Not only are these teachings as much intact today as they were hundreds of years ago, they have evolved into forms now available to each and every person and are more essential for humanity than ever before.
