In the hands of the poets the epithalamium was developed into a special literary form, and received considerable cultivation. Sappho, Anacreon, Stesichorus and Pindar are all regarded as masters of the species, but the finest example preserved in Greek literature is the 18th Idyll of Theocritus, which celebrates the marriage of Menelaus and Helen. In Latin, the epithalamium, imitated from ...

Narcissus is a genus of predominantly spring perennial plants of the Amaryllidaceae (amaryllis) family. Various common names including daffodil, daffadowndilly, narcissus and jonquil are used to describe all or some members of the genus. Narcissus has conspicuous flowers with six petal-like tepals surmounted by a cup- or trumpet-shaped corona. The flowers are generally white or yellow (also ...

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.
