A psychic detective is a person who investigates crimes by using purported paranormal psychic abilities. Examples have included postcognition (the paranormal perception of the past), psychometry (information psychically gained from objects), telepathy, dowsing, clairvoyance, and remote viewing. In murder cases, psychic detectives may purport to be in communication with the spirits of the murder ...

This workshop was given to "advanced" psychic mediums, so even the most experienced psychics and mediums will learn a ton of new information from it. But you don't have to be an advanced psychic or medium to benefit. It turned out that some beginners signed up for the event without my knowing, yet they later told me that they gained a life-changing amount of information from what I taught them.

I'm not sure if it was that it seemed like the continuation of an unrecorded conversation or simply Mr. Topham's style but this is one of the most non-linear interviews you've hosted! I found it hard to follow at times and it seemed like in a few cases there was more time spent on tangential lead up than the actual event or point being made!
