S is one of the most valuable tiles in English-language Scrabble because it can be appended to many words to pluralize them (or in the case of most verbs, convert them to the third person singular present tense, as in the word PLUMMETS); Alfred Butts included only four S tiles to avoid making the game "too easy". Q is considered the most troublesome letter, as almost all words with it also ...

Cozy Dog. Prepare to enjoy the natural beauty around you as you and your crew settle into the newly-built, custom crafted log cabin known as Cozy Dog. Log furniture, wide board floors, and alder wood cabinets with granite counter tops are indicative of the care and quality that have gone into the building of this country retreat. While the cabin kit was purchased from a West Virginia company ...

Artificial intelligence applications have been used in a wide range of fields including medical diagnosis, stock trading, robot control, law, scientific discovery and toys. However, many AI applications are not perceived as AI: "A lot of cutting edge AI has filtered into general applications, often without being called AI because once something becomes useful enough and common enough it's not ...
