Trigger Point Courses from Dr. Laura Perry

The technique in this video is different from that taught through Kinetacore which involves taking the needle to the ilium and then pistoning the needle into the trigger point to get the local twitch response.

Manual Therapy Technique of the Week - Treating Gluteus

In a way, Flynn's qualifying remarks hint at a duality when it comes to the practice and perceptions of dry needling. Jan Dommerholt, PT, DPT, DAAPM, a Maryland-based, Dutch-trained therapist who says he taught the first US course in the intervention for PTs in 1997, marvels at the results dry needling sometimes can achieve, yet describes the technique rather more blandly as simply a form of ...
