Immigration to the United States is the international movement of non-U.S. nationals in order to reside permanently in the country. Immigration has been a major source of population growth and cultural change throughout much of the U.S. history. Because the United States is a settler colonial society, all Americans, with the exception of the small percent of Native Americans, can trace their ...

The United States sends election monitors around the world to help discourage fraudulent balloting. But, here at home, it has largely turned a blind eye to the possibility that fraudulent voting by noncitizens could influence the outcome of an election. Our voter registration system is susceptible to abuse by noncitizens.
